Principal’s Message

Welcome to the second edition of Rowland Hassall Matters for Term 2. We have had a fantastic start to the term here at RHS and is great to see so many students making it Level One and enjoying the activities we have on offer.

Morning Routine

It has been very pleasing to see how well everyone has adjusted to the morning routine. Students have been actively participating in the gym, meditation, basketball, the quiet area and the breakfast program. Well done!

Interrelate

We are happy to welcome Kristy from Interrelate back to Rowland Hassall. She will be running a fantastic program with our students later in the year which is great news.

Vocational Education

There have been some fantastic things happening as a part of our work experience program. We have two students who are doing extremely well in their individual placements and numerous students achieving great things at Thorndale Industries and The David Morgan Centre.

Talk to me

A reminder that if you have any questions or comments on what we are doing here at Rowland Hassall please call me or even better arrange for an interview.

In Unity

Jim Myers
Principal

Diary Dates:

Monday 2 June: Canberra Trip
Wednesday 4 June: Young Guns Fishing

Website: www.rowlandhass.schools.nsw.edu.au

Attendance

Attendance registers are taken daily and recorded. Please contact the school if your child is away due to illness or for any other reason.

Attendance registers are also regularly checked by our Home School Liaison Officer.

As a part of our new morning program we are offering relaxation classes in our new meditation centre. We have regular attendees but would like to encourage every student to give it a go as a peaceful alternative to start each exciting day at RHS.

We will introduce different relaxation techniques and might be offering yoga classes at some stage to enhance students’ well-being.

You are welcome to pop in for a visit. We are open every morning from 8:30—9:00. Namaste!
DEM’ BONES!
Science News!
This term in Science we are studying the Human Body!
This week we had a look inside our bones!
We learnt all about compact bone, bone marrow and spongy bone!

Are the burgers really better at Hungry Jacks?

O.W.N went to Hungry Jacks on Tuesday and bought whoppers for a project that we are doing for our Project Based Learning.

When we got back we had to do a survey about the burgers by measuring how tall, wide and delicious it was.

We also had to time how long the order took to make. Even though the food court was not busy at all, it still took 5 minutes and 29 seconds for us to be given our food.

We are looking forward to comparing the whopper to other burgers and cooking our own in Week 8!
GLOBETROTTERS

GLOBETROTTERS REPORT ON THEIR ABC STUDIO EXPERIENCE

On Tuesday we went to ABC Studio. We had a look around the ABC Studio and saw the 24 hour news channel and the radio station. Then we went to Darling Harbour and then we had lunch. After lunch we went back to school.

By George

Last Tuesday we went by train to Central Station, and then we walked to the ABC. We put our bags in a locker and walked through magic doors. We saw a man reading the news and went into the makeup room and tried on some funny wigs. We saw huge cameras and overhead lights. We had lunch at Darling Harbour.

By Kevin

On Tuesday Globetrotters went to the ABC studios and it was fun. To get there we caught the train to Central Station and we walked to the studios.

Lifestylers

Lifestylers went on a tour of the ABC studios last Tuesday with Globetrotters! We had a fantastic time and got to go behind the scenes of T.V show, hair and make-up and how the studios have been built. After the tour we walked to darling harbour and had lunch. We enjoyed playing in the awesome park that was there too.

Anthony has been working hard to get fit every morning in our new school gym. He has been training very hard, keep up the good work Anthony!

Vivid Sydney is now on throughout Sydney there is 2 weeks left

New SRC member for Lifestylers
Congratulations to:
Kieran King

BOATING DAY

Some of Lifestylers went on a boating day last Wednesday with student from other classes. A big congratulations to Dylan for making the huge jump off Jerusalem Bay—Dylan and Mr Myers jumped very quickly while Miss Kleppen and Miss Kirkam took around 20 minutes to build up the courage., but we finally got there!

ONE DIRECTION ARE COMING TO AUSTRALIA!

Currently on tour across the globe, the boy band recently announced live shows in Asia and Australia - and their Aussie dates go on sale on Saturday. They will be playing:

7th February – Allianz Stadium, Sydney

SONG OF THE WEEK
ARTIST—KIESZA, HIDEAWAY
We went on an excursion to the ABC Studio and saw lots of cool things!

We went into the make up room and saw special wigs!

We saw a green screen! They use it to show the weather.

There was a special set to film their show!

Lots of music in the Radio Sta-
The topic I am researching is scooters.

A Scooter is a child's toy consisting of a footboard mounted on two wheels and a long steering handle, propelled by resting one foot on the footboard and pushing the other against the ground.

There are many parts on the scooter, they include
Bars, wheels, deck, brack, fork, grip clapp.

Scooters have not joined the X Games as yet. Two of the best Australian scooter riders are Ryan Williams and Cody Donovan.

My favourite scooter rider is Cody Donovan. (above)

My favourite tricks are seen on the links below.

The School Captains Report

School Captains report:
Hello everyone. This week some of us went to Jerusalem Bay for a fun day out on the boats. Mr Myers, Miss Klepen, Miss Kirkham and Dylan jumped off the massive rock! We are all really enjoying the morning activities before school.

Some students went to the Cross Country today. I hope they had a lot of fun.

Have a good weekend.

Anthony Winderbanks
